# Gateway 1: Text Quality and Complexity and Alignment to the Standards with Tasks and Questions Grounded in Evidence

High-quality texts are the central focus of lessons, are at the appropriate grade level text complexity, and are accompanied by quality tasks aligned to the college and career-ready standards of reading, writing, speaking, listening, and language in service to grow literacy skills.

To identify the Gateway rating, educators use evidence gathered to score indicators related to each criterion.

Materials must receive a score of Meets Expectations or Partially Meets Expectations in Gateway 1 in order to be reviewed in Gateway 2.
