# Standards Aligned Pre-K-8 Music Curriculum

**QuaverMusic is a Pre-K-8 comprehensive, fully digital music curriculum!**

It's aligned to state and national standards. QuaverMusic provides a flexible, engaging experience for every learner. It all begins at our innovative Teacher Dashboard, which is **easy to learn, ready to use, and seriously fun!**

QuaverMusic's Teacher Dashboard is customizable to support your teaching style! The dashboard is divided into two sections for ease of use in your classroom: **Support Tools** and **Instructional Resources**. QuaverMusic offers dozens of customizable icons! See the insert for more information.

- **Support Tools**

The top half includes resources and tools for educators. Here, teachers can create lessons, assign work, and more. You'll also find technical support and troubleshooting tips in the Help Center.

- **Instructional Resources**

The bottom half includes everything you need to enhance your instruction. You will find our Curriculum, Song-Based Lessons, Quaver Classic Episodes, and tools to customize lessons.

# Why QuaverMusic?

QuaverMusic offers more than a full year of sequenced lessons and materials.

Take a look at a few of the features that set QuaverMusic apart.

Definitions	Dynamic Markings	Leader & Soffar	Dynamic Episodes
10	10	10	10
20	20	20	20
30	30	30	30
40	40	40	40

- **Lesson Planning** — Lesson plans are included with each QuaverMusic lesson. The lesson plan lays out the objectives, screen activities, and standards covered.
- **Assessments** — Create and assign custom assessments with quizzes! Or select one of our diagnostic, summative, formative, or informal assessments. Data can be rolled up to the classroom, school, and district level.
- **Spanish Resources** — Resources are available in Spanish to support your English Language Learners.
- **Culturally Responsive Resources** — QuaverMusic is free from bias in the portrayal of ethnicity, gender, age, culture, religion, and people with disabilities. Our resources feature a diverse set of scenarios and characters from various backgrounds. The platform also includes individuals with varying abilities.
- **Student Accounts** — Students can log in to their Student Dashboard and access teacher-created assignments. They can safely browse resources to practice the skills learned in class anywhere they have an internet connection. Unlimited student accounts are included free for every student!
- **Customization Tools** — Resource Manager and Resource Creation are two of the powerful customization tools included in QuaverMusic. Customize and create new lessons and assignments using your favorite activities.
- **Parent Engagement** — QR codes make sharing with parents and families easy.
- **SSO/Rostering Integration** — We offer various levels and methods for integrating with your district and supporting district-wide implementation. These benefit any district interested in gathering meaningful data on teacher usage and student performance.

# Lessons at a Glance

QuaverMusic offers educators ready-to-use lessons to make music education fun and easy. Lessons support a variety of pedagogies, including M.L.T., Orff, and Kodály.

## QuaverMusic Lesson Overview:

- 36 Lessons for Grades Pre-K–3
- 48 Lessons for Grades 4–5
- Each lesson is designed to last 30–45 minutes
- Extended lesson activities add additional 30–45 minutes of instruction
- Each lesson includes Teacher Notes and a Lesson Plan

Let's look at a typical lesson. The Lesson Selection Menu, shown below, takes you to a specific lesson. Lessons can be sorted by lesson or unit.

The screenshot displays the 'Lesson Selection Menu' for 4th Grade. The menu is organized into columns and rows. The first column lists categories: Rhythm, Singing, Melody, Duration, Notation, Articulation & Tempo, Instruments, and Chords and Harmonies. The second column lists lesson titles: Welcome to Music!, Octaves, Descants, & Patriotic Music, Ascending and Descending Scales, Duration Review, Keeping Up With the Score, Articulation Review, Orchestral and Concert Band Instruments, and Major and Minor Chords. The third column lists lesson titles: Terrific Triplets, Singing, Major and Minor Scales, Dotted Quarter Notes, Getting to Know Percussion, Tricky Triplet, Guitars and Percussion, and Playing Chords. A detailed view of the 'Super Sixteenth Notes' lesson is shown on the right, including a lesson summary screen with buttons for Objectives, Overview, Worksheets, Lesson Plan, and Launch. The summary screen includes a 'Welcome' message, a '1. Super Sixteenth Notes' section with a 2-3 min timer, and a '2. Sets of Four' section with a 2-4 min timer. The 'Engage' section includes a '3. Sixteenth Note Patterns' section with a 4-6 min timer.

When you click on the lesson, it opens to the Lesson Summary Screen. Click on any item to launch the individual activity for review. This screen also includes buttons at the top for lesson **Objectives**, **Overview**, **Worksheets**, and **Lesson Plan**.

**Project-Based Learning:** The QuaverMusic Curriculum is designed to meet the needs of middle school classrooms. Projects include videos, interactive instrumental-based elements, long-term creative projects, and technological compatibility for today's students.

# Year-Round Teacher Support

In addition to our easy-to-learn platform, educators receive year-round support.

Our educators can access ongoing training, professional learning opportunities, and customer service.

## Ongoing Product Training

Every QuaverMusic license begins with training. We offer live, in-person, and virtual options. Music educators will find a variety of flexible training and resources to fit their needs.

## Professional Learning

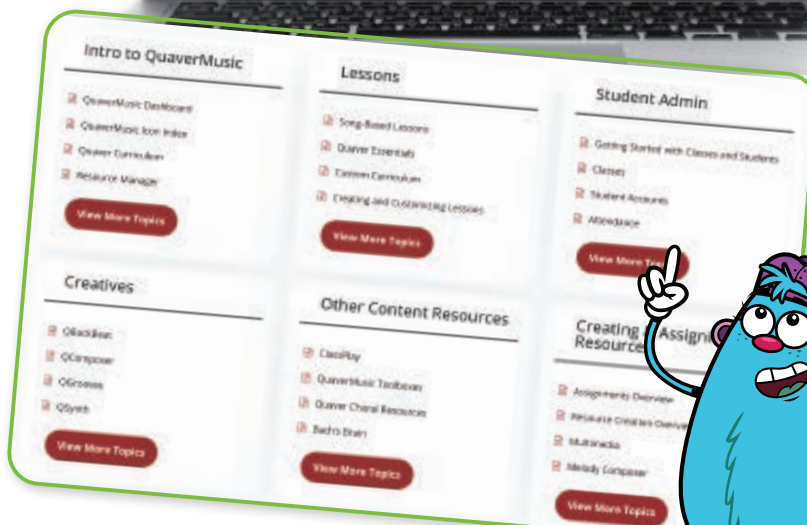

QuaverPLC, one of our monthly series, brings educators and subject-matter experts to you. Each month, we discuss relevant educational topics and provide insight and strategies for all educators. Scan the QR code to hear from QuaverEd co-founder, Graham Hepburn, on why music education is essential.

## Help Center

The Help Center, available on the Teacher Dashboard, contains articles and videos to assist using QuaverMusic. Articles provide step-by-step instructions and other helpful tips.

## Customer Service

Our Live Hotline Support can be reached at (866) 917-3633. It is available Monday through Friday between 7 a.m. and 6 p.m. (Central Time). Our goal is to answer every call within 90 seconds. We also respond to every email within one business day.

“Our district's Goals and Guardrails state that ‘every student will have a well-rounded education with co-curricular opportunities, including arts and athletics, integrated into the school experience.’ QuaverMusic is key in this pursuit and is dedicated to working with us to provide our teachers with the best curricular materials that are current, applicable, and adaptable. Additionally, Quaver provides exceptional training and professional development that help make all this possible.”

— Nathan Wesner | Former Managing Director, Music Education | School District of Philadelphia
