2026 ENGLISH
TEXTBOOK ADOPTION REPORT

MISSISSIPPI INSTRUCTIONAL MATERIALS MATTER.
OFFICE OF INSTRUCTIONAL MATERIALS & LIBRARY SERVICES

The Mississippi Department of Education (MDE) is pleased to provide school districts with the 2026 K–12 English Language Arts (ELA) Adoption Snapshot, a resource designed to support informed curriculum decisions and thoughtful planning for the upcoming adoption cycle. This snapshot provides an overview of the state-adopted High-Quality Instructional Materials (HQIM) and highlights key information to help districts evaluate instructional resources, prepare for purchasing, and plan for successful implementation. As districts prepare for the transition to newly adopted ELA materials, MDE encourages district and school leaders to consider how curriculum selection, Curriculum-Based Professional Learning (CBPL), and ongoing instructional support work together to strengthen teaching and learning. The goal is not simply to adopt high-quality materials, but to ensure they are implemented purposefully to improve literacy outcomes for all Mississippi students.
